BRIEF SUMMARY

The PC Debit Card started-out as a multimedia membership service twenty-five years ago and has been tested in cities nationwide and with many industries and demographics.

The PC Debit Card is a Group Purchasing Network that charges corporations a fee for exclusive business contracts with the members. The amount that is collected through the debit card system is paid-out every month to the debit card members. Members are contracted to use the paying-corporations (exclusively).

The system is setup and operates serving groups of 500 to 3,500 small businesses and organizations.

The first phase of the PC Debit Card is being launched through a unique funding program named The Two Million Dollar "Funding-Solutions" Campaign. This campaign will distribute an average of four thousand dollars per month to each member of the group of 500 organizations, totaling two million dollars per month.

The campaign will demonstrate the PC Debit Card's ability to electronically collect fees from the corporations and distribute the fees to the participating members who are primarily nonprofit community organizations, youth programs and projects.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 88-3575196. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 1065

03/15/2023

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, estate, trust, EPMF, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.
